

What is a normal blood test?

Your laboratory needs you!

The Leeds Blood Sciences Laboratory needs healthy people to study normal blood test values.

We need healthy volunteers to donate blood samples to the laboratory.

The results will help the laboratory and doctors to make decisions about blood tests.

- If you think you might like to take part in this study, please contact Dr. A Luvai / Dr. JH Barth in Clinical Biochemistry on telephones 01133923745 / 01133923607 or visit the project website at:
